[EPA Comments_ Conceptual Stream and Wetland Mitigation Plan_8_6_18.docx](#)

[EPA Comments_ Draft Stream Design Report_8_6_18.docx](#)

Hello, attached are EPA's comments on the following Midas documents:

- Revised SFA Methodology
- Conceptual Stream and Wetland Mitigation Plan
- Stream Design Report

We are available to discuss our comments and we look forward to reviewing the response to comments and/or additional information. Please let us know if you have any questions.

I am ccing the Corps given our mutual roles and coordination under 404.

Thank you,
Lynne
